

## FOUNDATION PARENT CONTRIBUTIONS 2022

Dear Parent/Carer

Clifton Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Clifton Hill Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences such as two LOTE programs and a specialist Science program
- enhance digital learning opportunities
- operate a literacy intervention program in years P-2
- offer extension programs such as Tournament of Minds, Maths Olympiad and Maths extension teaching
- extensively resource our school library
- employ a school nurse 5 days per week
- employ a school psychologist 1 day per week
- purchase air purifiers for all rooms in the school (above and beyond those provided by the state government)
- upgrade the Wellington St playground

Please complete this form and return to the school with your contribution. We would appreciate contributions to be paid by 10th December 2021 or by 5th February 2022.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Brian Bird  
School Council President

## Payment methods

Cash, Cheque, EFTPOS, Credit Card (Visa/Mastercard only) at the school office or direct to the School's official account (Account Details: BSB 633 000 ACCOUNT NUMBER: 136691037)

## Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

## Notes

<sup>1</sup> In the interest of student health and well-being the School employs a Registered Nurse who is based in the sick bay from 10am to 3:30pm, Monday to Friday. Whilst this contribution is voluntary, the payment of the Nurse Contribution by parents and carers enables the school to employ a registered nurse. The presence of a school nurse at a primary school is not mandatory but the benefits are available for all students.

<sup>2</sup> This fund is to provide support to any families at our school demonstrating financial hardship. Your contribution helps to ensure that all our students have the option of attending school camps and excursions and have the items they need for school.

<sup>3</sup> This contribution allows the school to purchase HEPA filters for air purifiers, carbon monoxide monitors for classrooms and first aid materials and equipment for the school.

<sup>4</sup> This contribution allows the school to employ personnel or buy materials to maintain the school grounds to a high standard. For example; purchasing tan bark in playground areas, repairing shade sails, replacing sand, painting poles, purchasing plants etc.

<sup>5</sup> This contribution is tax deductible. Clifton Hill Primary School has a strong history of families contributing to our two tax-deductible funds; Building and Library. These contributions have enabled us to provide a high level of student learning and teaching opportunities. Recent examples of how these funds have helped Clifton Hill Primary School become the school it is today are: building of glass wall in library to provide additional teaching space, replacement of windows, painting of classrooms, replacement of classroom air conditioners and upgrade of MPR audio system. To continue to provide students with such facilities/resources, we suggest that all families, who are in a position to do so, **donate \$300 to either of these funds**. In the past family donations have ranged up to \$10000.
