

YEAR 6 PARENT CONTRIBUTIONS 2022

Dear Parent/Carer

Clifton Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Clifton Hill Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences such as two LOTE programs and a specialist Science program
- enhance digital learning opportunities
- operate a literacy intervention program in years P-2
- offer extension programs such as Tournament of Minds, Maths Olympiad and Maths extension teaching
- extensively resource our school library
- employ a school nurse 5 days per week
- employ a school psychologist 1 day per week
- purchase air purifiers for all rooms in the school (above and beyond those provided by the state government)
- upgrade the Wellington St playground

Annual Excursion Payment 2021

As part of the school payments in 2021, many families chose to pay an upfront annual excursion payment for all excursions/incursions throughout the 2021 school year. Due to the COVID-19 restrictions, very few of the planned excursions/incursions for the 2021 year have taken place, and this has resulted in the school now holding a balance of unused excursion payments.

Given the unusual circumstances, the School Council has proposed that for those students where the 2021 Year 5 annual excursion payment had been paid, any unused balance will be carried over and used for Optional Year Six incursions and excursions to be scheduled throughout 2022. Please note that if these funds are exhausted prior to the end of 2022, any additional excursions will need to be paid for as and when they occur. If you would prefer for the amount to be refunded, please email Di Henderson (di.henderson@education.vic.gov.au).

For families who paid the annual excursion payment for 2021 and are leaving CHPS at the end of 2022, any remaining balances of the excursion payment will be refunded. Please contact Di Henderson (di.henderson@education.vic.gov.au) if your child is leaving at the end of 2021 to organise the refund.

Please complete this form and return to the school with your contribution. We would appreciate contributions to be paid by 10th December 2021 or by 5th February 2022.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Brian Bird
School Council President

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Notes

¹ In the interest of student health and well-being the School employs a Registered Nurse who is based in the sick bay from 10am to 3:30pm, Monday to Friday. Whilst this contribution is voluntary, the payment of the Nurse Contribution by parents and carers enables the school to employ a registered nurse. The presence of a school nurse at a primary school is not mandatory but the benefits are available for all students.

² This fund is to provide support to any families at our school demonstrating financial hardship. Your contribution helps to ensure that all our students have the option of attending school camps and excursions and have the items they need for school.

³ This contribution allows the school to purchase HEPA filters for air purifiers, carbon monoxide monitors for classrooms and first aid materials and equipment for the school.

⁴ This contribution allows the school to employ personnel or buy materials to maintain the school grounds to a high standard. For example; purchasing tan bark in playground areas, repairing shade sails, replacing sand, painting poles, purchasing plants etc.

⁵ This contribution is tax deductible. Clifton Hill Primary School has a strong history of families contributing to our two tax-deductible funds; Building and Library. These contributions have enabled us to provide a high level of student learning and teaching opportunities. Recent examples of how these funds have helped Clifton Hill Primary School become the school it is today are: building of glass wall in library to provide additional teaching space, replacement of windows, painting of classrooms, replacement of classroom air conditioners and upgrade of MPR audio system. To continue to provide students with such facilities/resources, we suggest that all families, who are in a position to do so, **donate \$300 to either of these funds**. In the past family donations have ranged up to \$10000.
